

TABLET PROTECTION PLAN RENEWAL

The Gideon School District recognizes that with the implementation of the tablet initiative there is a need to protect the investment by both the District and the Student/Parent. Therefore we are offering an optional protection plan. The tablet is considered essential to curriculum delivery and provides a unique opportunity to extend learning for all students. The following provides details of the optional protection plan and explains the various areas of protection the plan provides against accidental damage and loss. This form is used to renew the protection plan from year to year.

ACCIDENTAL DAMAGE PROTECTION (optional): As a service to parents, the Gideon School District will provide an *optional* protection plan (GTP) designed to cover tablets against accidental damage such as: liquid spills, accidental drops, power surges, vandalism, and natural disasters. This coverage will also provide protection for damage caused by fire or theft. District personnel will assess the tablet damage and arrange for repair or replacement of the tablet with only a deductible cost if the damage is determined to be within the program guidelines. Cosmetic damage is not covered under the GTP.

School District Protection-GTP(optional):

The school district will provide an optional protection plan that can be purchased for an annual fee of \$50.00. The \$50.00 payment is non-refundable. Payments can be made per semester for \$25 per semester. This protection coverage has a \$50.00 deductible for the first occurrence and a \$75.00 deductible for the second occurrence. No coverage is available after the second occurrence and the student will be responsible for all costs. This annual coverage begins upon receipt of the payment and ends at the conclusion of each school year when the tablet is returned to the district.

If a student maintains the Protection Plan during the entire course of time during grades 4-12 (with a minimum of 6 years or 12 semesters for transfer students), the tablet will become the property of the student upon graduation provided there have been no claims against the protection plan during the student's enrollment at Gideon.

If a student/family chooses to opt out of GTP plan coverage then the student/family will assume full liability for any damage or loss of the tablet and will replace/repair the tablet at their own expense at current pricing guidelines. This is the same responsibility that is currently in place with all district owned instructional materials that are used by students.

ADDITIONAL INFORMATION: In cases of theft, vandalism and other criminal acts, a police report, or in the case of fire, a fire report **MUST be filed by the student or parent** for the protection coverage to take place. A copy of the police/fire report must be provided to the principal's office. The replacement of the tablet is the responsibility of the student/parent and must be paid before the tablet can be repaired or replaced.

INTENTIONAL DAMAGE: Students/Parents are responsible for full payment of intentional damages to tablets regardless of optional GTP plan coverage.

Please complete the information on the reverse side of this sheet and return to the appropriate classroom teacher or building office.

Optional Gideon Tablet Protection Plan (GTP)

_____ Yes, I wish to enroll in the **Gideon Tablet Protection Plan for the current school year at a cost of \$50.00 per year.**

Payment Option Selected: _____ \$50 for the year _____ \$25 each semester

Payment Method Selected: _____ Cash _____ Check - Check Number _____

_____ No, I wish to decline the GTP option. I realize that this will make me solely responsible for any damage or loss of the tablet assigned to me by the District
